PRINCESS ASTERS
—Finest Mixed

The Princess Asters are highly wilt resistant. Flowers are large on long stems and the deep quilled cushion center makes the flowers full even when completely opened. It has an excellent range of colors and is a fine all purpose Aster for the home gardener.

Pkt., 15¢

DOUBLE GUARANTEE

FIRST—We guarantee the Vitality and Purity of our Seeds to the full amount of the purchase price if properly planted and cared for the same year purchased, if proof is furnished that the fault was with the seeds. Even with the highest quality of Seeds success depends largely upon soil, not too deep or too shallow planting, cultivation and weather conditions after planting. It is, therefore, agreed that in no case shall we be liable for more than the amount actually paid, and if not accepted on these conditions, they must be returned at once.

SECOND—We guarantee the safe arrival of all Seeds in good condition, and should anything be damaged or lost on the way we will replace when proof is furnished. This is the Double Guarantee that protects all who purchase MILLS SEEDS.

INSTRUCTIONS FOR ORDERING MILLS SEEDS

Please use our Order Blank when ordering, if possible, which you will find in this Seed Book, and be sure to sign your name and give full address on every order or letter you send us. Enclose remittance with each order and do not ask us to send C. O. D. unless absolutely necessary, for it delays delivery.

FREE DELIVERY—Prompt Service

We pay postage on everything offered in this Seed Book. This means we deliver postpaid to any Post Office in the United States or Possessions. We mail Seeds to Canada if 20 per cent of the total order is included in the remittance to cover exchange and extra packing and postage. You can depend on prompt service. Order early as possible.

HOW TO MAKE REMITTANCES

We have been doing a strictly cash-with-order business for 66 years and you run no risk in sending remittance with order. We refer you to hundreds of thousands of our customers.

Remit by Post Office or Express Money Order, Draft or Registered Letter. If cash or postage stamps are sent we cannot be held responsible for safe delivery unless registered. Please do not send Air Mail or Special Delivery Stamps. No foreign postage stamps or foreign coin accepted.

MILLS WILT-RESISTANT ASTERS—

Special Mixture Shades and Colors

ASTERS are easy to grow and are still the most popular of Summer and AUTUMN ANNUALS. If you have had poor success with Asters in the past try our WILT-RESISTANT strains. They are nearly immune to Wilt disease or Stem-rot.

THIS SPECIAL MIXTURE is made up of Early, mid-Summer, and Fall varieties and is the best of the large flowering sorts in attractive shades and colors. Do not grow Asters on the same ground you grew them the previous year .

Pkt., 15¢

RED SENSATION

Reddest of all Red Asters, rich garnet-red, double flowers, very showy. Plants are of open spreading growth, freely branching, long stems. Unsurpassed for bedding and cutting.

Pkt., 10¢

GIANT CREGO

Flowers very large, 4 to 5 inches in diameter, on long stems with petals gracefully curled and twisted, giving them a beautiful fluffy appearance.

Mixed Colors—Pkt., 10¢

GIANT OSTRICH FEATHER

Large branching plants producing extra large double fluffy flowers on long stiff stems; petals curled and twisted in beautiful shades and colors resembling Giant Chrysanthemums. A few days earlier than Giant Crego. Fine for cut flowers.

Mixed—Pkt., 10¢

BUSH BALSAM—Cinnabar

The bushy, branching plants are covered with flowers resembling double roses. The attractive vermilion color makes this Balsam especially good for bedding and borders.

Pkt., 15¢

MARIGOLD—Scarlet Glow

Brightest red of all dwarf double French Marigolds. Plants about 1 foot tall, covered with deep scarlet flowers; begins to bloom in about 10 weeks from seed and continues until frost.

Pkt., 10¢

VERBENAS—Giant Flowering

Robust spreading plants covered with large trusses of very showy flowers. Wonderful colors; there are many other shades not shown. You want this mixture of Verbenas for a big display. Quick to come into bloom.

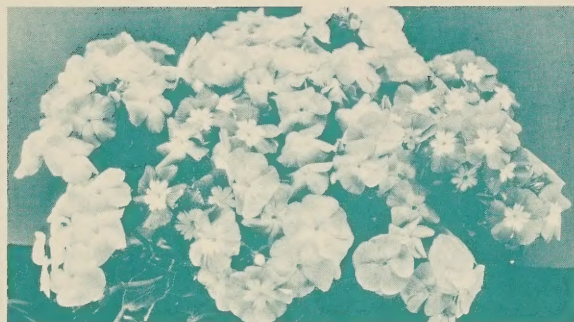

Pkt., 10¢

DOUBLE CORNFLOWERS

Cornflowers, also known as Bachelor's Button, is easy to grow and blooms continuously during Summer and Fall, producing all the latest colors in Double Cornflowers. One of the best flowers for cutting or beds and borders.

Mixed—Pkt., 10¢

See page 8 for other Cornflowers.

PHLOX—Annual

DWARF—Compact

Best Phlox for bedding or borders. Plants average 6 to 8 inches high, are covered with bright flowers during Summer and Fall in many colors.

PHLOX—Art Shades

Mixed—Pkt., 15¢

Large flowers in wonderful range of Art Shades, a color combination never before seen in annual Phlox. Plants 8 to 10 inches high and bloom profusely for a long time.

Mixed—Pkt., 15¢

PHLOX—Gorgeous Mixture

Nothing can excel this great annual Phlox mixture. Grows about 15" high, producing large flower-heads in gorgeous colors and markings.

Pkt., 15¢

SEEDS FOR TRIAL

We want all our customers to grow this Annual Flower Display this Summer. Here is a new collection of selected Annual Flower Seeds containing over 50 Varieties including CALIFORNIA NATIVE FLOWERS, which will grow and bloom in your garden during early Summer until frost. There are some very early flowers that should bloom a few weeks after planting and others a little later during the Summer, so there should be flowers coming into bloom every week until Fall. Planting instructions on each packet.

Packet over 1500 seeds, 10¢; 3 Pkts., 25¢

STRAWFLOWERS—Double Mixed

Known also as Helichrysum, a widely grown Everlasting. The long-stemmed flowers, cut when one-third open, hung heads down in a cool, shady place, can be dried for Winter bouquets.

Pkt., 10¢

CARNATIONS—Giant Double

Easily grown in the garden, and bloom 5 to 6 months from Spring sown seed and continue until frost. Bloom from seed first year.

Pkt., 15¢

SCABIOSA—Coral Moon

Lovely new Scabiosa, full flower globes of broad frilled petals. Tall blooms range from medium to deep salmon pink in color and cover the plants until frost.

Pkt., 25¢

SCABIOSA—Oxford Blue

A fast-growing annual, producing large, cushion-like flowers of a rich, deep blue color, on long, strong stems. Attractive in the garden and fine for cutting.

Pkt., 15¢

SCABIOSAS—Annual Mixed

Also known as Pincushion Flower. Selected strain double giant flowered. Easily grown from Spring sown seed. Does well in any good soil. Very showy, coming into bloom in early Summer and continuing until frost.

Pkt., 10¢

COSMOS—Fiesta

Festival colors of Old Mexico blend in this gala Cosmos. Early, neat, easy to grow; makes a compact 2½-foot plant with a riot of bloom all summer long. Perfect for cut flowers and borders.

Pkt., 25¢

COSMOS—Radiance

Striking color combination, deep rose petals overlaid with rich crimson. First bi-color Cosmos to be developed.

Pkt., 10¢

COSMOS—Sensation

Very early, giant flowering, with broad, heavy fluted petals, on long, strong stems; in white and shades of rose and pink.

Mixed—Pkt., 10¢

COSMOS—Double Crested

An early double Cosmos, center of flower crested, often different in color than petals. Plants often 3 to 4 ft. tall.

Mixed—Pkt., 10¢

CUTHBERTSON SWEET PEAS

This type is more heat-resistant than others, and will blossom during hot weather. Of vigorous growth, it produces large flowers on long stems in many bright colors.

Pkt., 10¢; ½ Oz., 30¢; Oz., 55¢

SWEET PEAS—Early Flowering

These bloom 2 to 3 weeks earlier than others and give earliest blooms in the North where seasons are short. Wide range of colors.

Pkt., 10¢; Oz., 35¢

PETUNIAS—All Double Giant Fringed Triumphant Mixed

Largest flowers known among the "All Doubles." Blossoms are fully double, large, well fringed and ruffled, in a mixture of exquisite shades and colors. Especially suitable for the home gardener.

Pkt. 100 seeds, 75¢

STATICE—Annual Art Shades

Beautiful blend of Art Shades of Sinuata Hybrids. Plants are robust and produce large clusters in many shades and colors. The colors hold their brightness when flowers are cut and dried.

Pkt., 10¢

SOUTHERN STAR

An interesting importation from South America. Peacock blue color, grows about 15 inches tall. Each flower has five petal points carried in clusters. For pots or gardens, and starts to bloom in 12 weeks.

Pkt., 15¢

STOCKS—Rose Standish

Early Colonial Branching. Large 2-inch florets of lively bright-rose color, on spikes 15 inches long are common. No center spike, so no pinching required. Heavy branches grow out from base of each plant.

Pkt., 10¢

TEN WEEKS—Large Flowering

For brilliancy of color, delightful fragrance, profusion and duration of bloom, this is unsurpassed. Double flowers in many colors.

Mixed—Pkt., 10¢

GIANT ZINNIAS— Rainbow Collection

Over 20 shades and colors. The most beautiful collection of colors we offer. Giant blooms, many 5 to 6 inches across, of over 20 named Zinnia varieties. Dazzling bright colors or soft pastel shades for a striking garden display.

Mixed—Pkt., 10¢

ZINNIA—Persian Carpet

Perfect dwarf Zinnias, each with its pointed petals tipped with contrast, for edging or window boxes. Early blooming, grow with minimum of care into compact 12-inch mounds of brilliant color.

Mixed—Pkt., 25¢

ANNUAL CHRYSANTHEMUM—

Merry Mixture

Blooms freely during Summer and Fall, with flowers in brilliant solid colors as well as tri-colors. Makes an attractive bed and is excellent for cutting.

Mixed—Pkt., 10¢

BALSAM—Lady's Slipper

A wonderful collection of colors, containing nearly all colors in Balsams. Will make a gorgeous display.

Pkt., 10¢

LANTANA—Hybrida

Verbena-like flowers in shades of orange, pink, red, and yellow. Fine for pots or can be set outside in Summer when it continues to bloom until late August.

Mixed—Pkt., 10¢

MOONFLOWERS

A beautiful annual Climber; foliage very dense, the flowers being produced in several colors. Many of the sorts open only when the sun rises, others when the sun sets. They reach a height of 15 to 25 feet under good conditions.

Pkt., 10¢

MORNING GLORY—

Early Heavenly Blue

Begins to bloom early; continues all season; flowers large, deep blue, shaded lighter in center. Fine for porches or arbors; plants a sheet of blue when in full bloom.

Pkt., 10¢

FOUR O'CLOCKS—

Marvel of Peru

Free flowering annual, quick growing, quite bushy, blooming freely in Summer and Fall. Flowers open in the afternoon and all day if it is cloudy.

Mixed Colors—Pkt., 10¢

PANSIES—Ruffled Masterpiece

Beautiful pansies with large fluted and ruffled flowers. Dark rich colors edged or splashed with bright contrasts in color. Blooms freely and continuously.

Mixed—Pkt., 15¢

PANSIES—Westland Giants

The largest strain of Pansies in existence. Blossoms are very bright, mostly dark shades of bronze, mahogany, and rose. Strong stems. Repeated cuttings assures long blooming.

Mixed—Pkt., 25¢

PANSIES—Swiss Giants

Flowers are gigantic in size on long, stiff stems, giving shades previously unknown in the Pansy family. Plants strong and bushy, blooming from early Spring to late Fall.

Wonder Mixture—Pkt., 10¢

SALVIA—Scarlet Sage Splendens

This is the largest and most popular variety, producing beautiful, large, bright-scarlet flowers. A profuse bloomer.

Pkt., 10¢

ROYAL CRIMSON

An outstanding Novelty—plants dwarf and bushy with many flower spikes blooming earlier than any other dwarf Salvia and much brighter in color. Ideal for bedding or borders.

Pkt., 10¢

SNAPDRAGONS—Art Shades

These Snapdragons are very special and cannot be duplicated. Plants about 2½ ft., rust-proof, with over 50 art shades and colors. Beautiful for flower border.

Mixed—Pkt., 10¢

TITHONIA—Torch

Very early and easy to grow; will yield brilliant scarlet-orange cuttings until frost. Produces compact, waist-high plants with soft green foliage. Plant in full sun.

Pkt., 20¢

TORENIA—Wishbone Flower

Compact, globe-shaped plants covered with light blue snapdragon-like flowers, blotched in deeper blue with a yellow throat. Blooms during Summer and Fall. Fine for beds and borders.

Pkt., 15¢

AGERATUM

BLUE CAP

Plants are mounds of flowers, dark blue, making narrow ribbon of blue around flower bed or along a border. **Pkt., 10¢**

MIDGET BLUE

Smallest of all. Plants grow only 2 to 3 inches high, foliage smothered with small blue flowers. Make wonderful edgings. **Pkt., 10¢**

ALYSSUM

CARPET OF SNOW

Pure white flowers, dwarf, compact habit, about 4 inches high. Begin to bloom when very small and is a solid mass of white. **Pkt., 10¢**

VIOLET QUEEN

Bright, clear violet color. Plants are covered with bloom early Summer until frost. **Pkt., 10¢**

ANNUAL ROCK GARDEN SEEDS

We offer a mixture of seed of annuals growing from 4 in. to 1 ft. in height. Good bright colors, many of them coming into bloom in a few weeks from sowing the seed. **Pkt., 10¢**

MARIGOLDS

BORDER OF GOLD—*Little Giants*

Grows 12 to 15 in. tall, covered with golden flowers, orange star in center. Foliage fern-like and dainty. Fine for edgings, borders, and Rock Gardens. **Pkt., 10¢**

CROWN OF GOLD—*Odorless*

All-America Gold Medal Winner. First known Marigold with odorless foliage, flower petals curled and quilled, golden orange, sweet scented, long stems, flowers very early. **Pkt., 10¢**

FERDINAND

Single flowers have a round crested center of tubular florets in Golden Yellow, surrounded by a single row of Mahogany-Red guard petals. Very showy. **Pkt., 10¢**

FLAMING FIRE

The single flowers vary in color from flaming velvety-red to red and yellow. Plants begin to bloom in a few weeks from seed and continue until frost. **Pkt., 10¢**

GLITTERS

A new Marigold. Large, fluffy chrysanthemum-like flowers of canary-yellow color, fully double. Blooms 3 or more inches across. Their long keeping qualities make them ideal for cutting. **Pkt., 25¢**

GYPSY JEWELS

This is an interesting mixture of colors ranging from brilliant orange through primrose, gold and canary yellow. Flowers are 4 to 5 inches in diameter, rather shaggy but tightly curled, borne on 15-inch stems. It is early and continues flowering until frost. Makes an attractive bed. **Pkt., 10¢**

HARMONY

Plants about 1 foot tall covered with gorgeous flowers with golden orange petals and reddish brown outer petals. Early free flowering. **Pkt., 10¢**

MISSION GIANTS

A new type of Marigold. Plants grow about 18 in. high, branching freely, with giant incurved Chrysanthemum blooms which measure from 4 to 5 inches in diameter, almost a perfect ball. Colors range through a blend of deep, medium and golden orange, and lemon. **Mixed—Pkt., 10¢**

PORTULACA—

GORGEOUS DOUBLE MIXED

Form dense thick carpet of plants 4 to 5 inches tall covered with double flowers like little roses in many colors; begins to bloom in a few weeks from seed and continues until frost. **Pkt., 10¢**

SINGLE AND DOUBLE MIXED

All colors in Portulaca, single and double in a mixture.

Pkt., 10¢

MILLS PETUNIAS

FLUFFY RUFFLES—Mixed

This beautiful Petunia is an outstanding Novelty. Blooms averaging 3½ to 4 inches in diameter under normal conditions are so frilled and ruffled that they are often mistaken for Doubles. Colors various shades with golden throat. Pkt., 15¢

GIANT RAINBOW COLLECTION

This includes a Mixture of All Petunias we offer and many others of all sizes, colors, shades, and markings, which will make a sheet of colors all Summer until frost. Special Mixture—Pkt., 10¢

FIRE CHIEF PETUNIA

This beautiful new Scarlet Red Petunia is the reddest of Red Petunias. Flowers are a striking color of lasting quality and non-fading. Blooms early and continuously, producing an exciting display all Summer. Plants are erect and freely branching, and will make attractive beds and borders. Pkt., 25¢

THEODOSIA—Fringed and Frilled

One of the most attractive pink fringed and frilled Petunias we have ever grown. Flowers large, beautifully frilled with large open yellow throats. The bright salmon-pink flowers are very pleasing. Pkt., 15¢

ROSY MORN—Improved

A beautiful clear pink bloom with a silvery white throat. Plants are bushy and compact, producing flowers in great abundance the entire Summer; splendid for beds, borders or boxes. Pkt., 10¢

GLOW-DAZZLING RED

A rare combination of dazzling carmine-red color on dwarf bush plants. The glowing carmine-red is very brilliant all Summer. Highly recommended for pot culture or for border. Pkt., 10¢

FLAMING VELVET

Velvety-rich, blood-red flowers. Plants grow about 15 inches high, uniform; blooms are large and borne in profusion until frost. Pkt., 10¢

CELESTIAL ROSE

Plant rounded in form, literally covered with flaming rose flowers about 2½ inches in diameter. One plant produced 585 buds and flowers in August. Pkt., 10¢

DAINTY LADY—Single Fringed

Best yellow yet produced as far as we know. There is no other color just like it. Plant produces quantities of fringed yellow flowers. Pkt., 15¢

Petunia—All Double Giant Fringed Triumphant Mixed—See Page 4

BALCONY—Large Flowering

These are popular for window and porch box display or for planting on terraces or among rock work where the long slender branches can spread out and show their gorgeous colors. Pkt., 10¢

BLUE BIRD

This is a very attractive Petunia, growing from 12 to 14 inches tall, making bushy plants loaded with large flowers of a rich, dark, violet blue color. Pkt., 10¢

RED, WHITE & BLUE PETUNIAS

All three varieties in this new Petunia Mixture produce mound-like plants, averaging about 1 foot tall, spreading out 12 to 15 inches. This popular flower mixture makes a very attractive bed of colorful Petunias in great profusion and blooms from early Summer until frost. Pkt., 10¢

THE STARS-TWINKLES

Plants dwarf and bushy; grow about 1 foot tall, literally smothered with flowers of lovely rosy carmine, each bloom being marked with white star. Pkt., 10¢

SALPIGIOSSIS—Velvet Flower

Beautiful annual of very easy culture. Plants grow 24 to 30 inches tall, producing from mid-Summer their beautiful trumpet-shaped flowers in a large and unusual range of colors, such as crimson and gold, red, violet, blue and other shades.

Mixed—Pkt., 10¢

SWEET WILLIAM—Annual

This annual will bloom first season from Spring sown seed and in mild sections will live for years. There is a great variety of shades and colors such as found in Perennial Sweet William. It grows 12 to 15 in. tall and is a beautiful sight when in full bloom. Easy to grow.

Mixed Colors—Pkt., 10¢

VERBENA BUSH TYPE—Starlight

A lovely mid-blue color with a creamy eye. Plants are uniform in bush habit, making compact growth. Grown in a separate bed or as a companion to our SALMON QUEEN it will make an unusually colorful spot in your garden.

Pkt., 15¢

VERBENA BUSH TYPE—Salmon Queen

The new bush-type Verbena Salmon Queen makes an even, uniform bed or border of beautiful flowers over a long blooming season. The color is a pleasing bright Salmon Pink and when grown with the VERBENA STARLIGHT will make a most attractive display.

Pkt., 15¢

DAHLIAS—From Seed

Beautiful Dahlias can be grown from seed and bloom in from 3 to 4 months.

DWARF HYBRIDS

These hybrids are entirely different from other Dahlias and are easily grown from seed. Plants grow 15 to 20 inches high. Flowers are semi-double in a wide range of beautiful colors and are produced in great abundance. Bloom in about 90 days from seed.

Mixed—Pkt., 15¢

CARNATIONS—Marguerite

Plants produce large flowers, very double, clove scented. They bloom in less than 5 months from time seeds are planted and continue until frost.

Mixed—Pkt., 10¢

LINARIA—Northern Lights

The blossoms resemble Baby Snapdragons and are produced in new brilliant colors such as bright reds, yellows and lavenders. It is a quick-growing annual and is excellent for bouquets.

Mixed—Pkt., 15¢

CORNFLOWER—Blue Boy

Plants produce large double, well-shaped flowers in the true cornflower shade. If faded blossoms are kept cut will produce large blooms throughout the Summer and is a favorite in the garden or for cutting.

Pkt., 10¢

CORNFLOWER—Lilac Lady

Attractive double flowers of bright lilac-mauve. Plants grow compact about 1 foot high and are covered with large double flowers and attract attention when grown in clumps or in borders or edgings.

Pkt., 10¢

ANNUAL LARKSPURS

BRILLIANT ROSE

Giant Imperial strain. An intense deep-salmon rose suffused with carmine. Large, round, fully double flowers closely packed on long, tapering spikes. Plants average 4½ feet tall with laterals branching from base in great profusion. Keeps blooming until frost.

Pkt., 10¢

GIANT DOUBLE—Annual Mixed

These Larkspurs, if seed is sown in early Spring, will bring flowers in July. We offer the best late developments, which produce beautiful colors in Giant Double type and keep blooming until frost. Colors are simply gorgeous. Thrive in most any soil.

Mixed—Pkt., 10¢

DWARF CUP FLOWER

Plants grow only 4 to 6 inches high and do best in sandy soil and full sun. Plants bloom when very small and are covered with cup-shaped flowers lavender-blue with a small yellow eye. A dependable low border plant for succession of bloom. Fine for window-box, border or rock garden.

Pkt., 10¢

MILLS GORGEOUS ZINNIAS

Zinnias are a great favorite and there are few flowers that will make such a gorgeous display of colors and but few as easy to grow from seed. They require no special attention and succeed almost anywhere. Plant the seed outdoors after danger of frost any time up to July. In the South, plant in Fall or Winter months for early flowers.

FANTASY—Pastel Shades

The bushy plants grow about 2 feet tall and are covered with medium sized double flowers composed of a mass of shaggy ray-like petals, giving a delicate appearance in a wide and varied color range of the newer and unusual pastel shades.

Mixed—Pkt., 10¢

CUT-AND-COME-AGAIN

Very popular double Zinnias, forming bushy, compact plants 1½ to 2 ft. tall and produce an abundance of medium sized double flowers on long stems from mid-Summer until frost.

Mixed—Pkt., 10¢

SUPER CROWN O' GOLD

An improved strain with large, well-formed flowers in delicate new pastel shades. Petals overlaid at base with deep golden yellow.

Mixed—Pkt., 10¢

SCABIOSA FLOWERED

This is different from all other Zinnias. Plants are vigorous in growth and bloom profusely until frost. The flower forms an outer ring of petals around a crested center. Many bright colors and shades.

Mixed—Pkt., 10¢

NAVAJO—Two-Tone Zinnias

These attractive, medium sized flowers resemble the many bright colors in Navajo Rugs. Produces flowers in great abundance in a wide range of colors and markings. Begins to flower about 45 days from seed.

Mixed—Pkt., 10¢

ZINNIA—Lilliput Dainty Gem

You'll want this gay newcomer with button-like blossoms 1¼ inches in diameter in fascinating bicolors—bright rose pink at the center and lighter flesh pink on the lower and outside petals. Free flowering, with wiry stems; ideal for bouquets.

Pkt., 10¢

CUPID—Smallest of All

Very compact well-formed plants about 1 ft. tall, making many branches and producing great numbers of small button-like flowers about 1 inch across from Summer to Fall. They are fine for bedding, borders, or rock gardens.

Mixed—Pkt., 10¢

DAZZLER—Very Attractive

Giant flowers, dazzling red on strong plants. The most striking red we know of. If you want red flowers, grow this Zinnia.

Pkt., 10¢

MEXICAN HYBRIDS

Entirely different from other Zinnias. Plant branches freely, producing double, semi-double and single flowers in various colors and markings. Blooms until frost.

Mixed—Pkt., 10¢

PEPPERMINT STICK ZINNIA—Gay Novelty

Plants are robust, producing many flowers having different markings. Some red striped with yellow, others red striped with white, and other color combinations.

Mixed—Pkt., 15¢

NEW GIANT ZINNIA—Burpee's Hybrids

Flowers are large, fluffy and ruffled with attractively curled petals like giant Chrysanthemums. The loosely arranged petals give softness to the flower, which grows up to 6 inches across. The mixture includes new colors as Corals, unusual Pinks, Scarlet with cream or light Yellow centers, and two-tones.

Pkt., 25¢

SUPER GIANTS OF CALIFORNIA

Flowers 5 to 6 inches across not being unusual, are double in rich, beautiful colors on long strong stems. Plants grow 3 to 4 feet tall.

Mixed—Pkt., 10¢

POMPONS

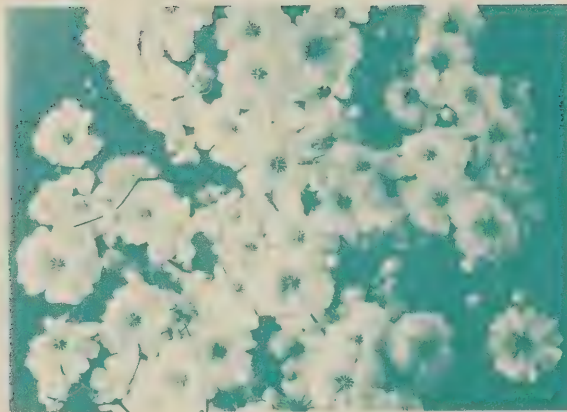

Very showy, plants 12 to 15 inches, blooming until frost. Many colors.

RED RIDING HOOD

Mixed—Pkt., 10¢

The compact plants are covered with small, double scarlet blooms. Especially suitable for borders and edgings.

Pkt., 10¢

CLARKIA—Novelty Mixture

Easy to grow and very effective in the garden or as cut flowers for the home. Large spikes of double and semi-double flowers are produced in several attractive colors. Does well in poor soil and will grow in partial shade.

Double Mixed—Pkt., 10¢

KOCHIA—Burning Bush

Annual of very rapid growth. Makes plants as shown 2 to 3 ft. high, leaves slender, of light pea green until Fall, then the plant changes to red color; excellent for borders.

Pkt., 10¢

ROYAL PINKS

Plants about 1 foot tall and produce great quantities of blooms in a gorgeous combination of colors. The plants bloom in a few weeks from seeds and are a mass of flowers for a long time.

Mixed—Pkt., 10¢

CLEOME—(Giant Spider Plant) Giant Rose.

Plants 3 to 4 ft. tall, fine for large beds or borders. Will produce plants and bloom in from 8 to 10 weeks. Flowers attract humming birds and bees.

Pkt., 10¢

CELOSIA—Giant Plumed or Feathered

One of the most brilliant of Feathered types. Grows from 2 to 3 ft. tall, covered with silky flower heads in several shades and colors, very effective.

Mixed—Pkt., 10¢

CALENDULAS—Pastel Bedding Mixture

Bloom all Summer, until frost, and are of easy culture. A pleasing collection of colors for home gardens. Many new pastel or art shades.

Mixed—Pkt., 10¢

GYPSOPHILA—Annual Baby's Breath

Improved strain, producing very large pure white flowers in large sprays in great abundance on plants about 2 ft. tall.

Pkt., 10¢

CANDYTUFT

Showy in the garden and highly prized for borders, beds or cutting. Our mixture includes white, rose, crimson lilac and others.

Pkt., 10¢

RICINUS—Castor Bean

Zanzibar. Giant variety, plants attain great height and make an ornamental subject. Easily grown from seed.

Pkt., 10¢

POPPIES—Shirley All-Double

An All-Double selection in an almost endless variety of pleasing colors. Easily grown, plants strong, branching freely, producing many beautiful satiny double flowers.

Pkt., 10¢

GIANT SWEET SULTANS

These annuals are easy to grow and very popular for decorative purposes. Plants make an upright growth 2 to 2½ ft. and produce sweet-scented, artistic flowers on long stems in many shades and colors.

Mixed—Pkt., 10¢

NASTURTIUMS

GLEAM HYBRIDS—Double and Semi-Double

Plants make neat appearance in the garden or on the lawn, and the well-formed double and semi-double fragrant flowers are borne on strong stems in many colors—Salmon, Orange, Scarlet, Golden Yellow, Cerise, Crimson and other shades.

Mixed Colors—Pkt., 10¢; Oz., 35¢

BRILLIANT BEAUTIES

Selection of all the best old reliable varieties in dwarf bush sorts in a well-blended mixture of colors such as Scarlet, Golden Brown, Red, Yellow, Spotted, White, Rose and others.

Mixed Colors—Pkt., 10¢; Oz., 30¢

MILLS PERENNIAL FLOWER SEEDS

An improved strain of Detroit Dark Red that matures in about 58 days. It is as near perfection as breeding skill can produce; color outside and in is very dark red, flesh is tender and of fine flavor. One of the very best beets. **Pkt., 10¢; Oz., 25¢**

EARLY WONDER

One of the best for pickling on account of its small round uniform shape. Color a glossy red of fine quality. Is especially good for greens. Ready 55 days. **Pkt., 10¢; Oz., 25¢**

CARROTS

CHANTENAY

About 72 days. Early variety of deep orange-red color. Smooth, fine texture and rich flavor. Free from stringiness.

LONG ORANGE

Roots grow uniform in size, about 10 inches long, smooth, and the color is a deep rich orange. Splendid keeper. 85 days.

DANVERS HALF LONG

For home garden or for market. An excellent sort for winter storage. The flesh, a rich orange color, is fine grained, of a sweet flavor. About 75 days. **Pkt., 10¢; ½ Oz., 30¢; Oz., 40¢**

TOMATOES

Grow plenty of Tomatoes! To eat fresh, to can and to make juice. Tomatoes are delicious and healthful. Rich in vitamins; Sow seed in a hot bed or in shallow boxes in the house. Five to six weeks are needed to grow plants big enough to set outside.

PONDEROSA OR GIANT CLIMBING

Massive, very solid fruits. Vines properly trained attain height of 8 to 10 feet and carry an enormous weight of immense tomatoes often weighing 1 and 2 pounds each. Fine for slicing. Few seeds. 70 to 75 days from plants. **Pkt., 10¢; ½ Oz., 50¢**

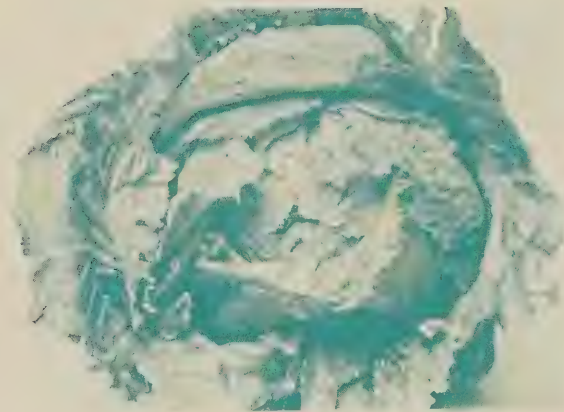

RUTGERS

A commercial variety. Suitable for canning, juicing and shipping. Large fruits, globe-shaped, smooth, bright red. Wilt-resistant to a high degree. **Pkt., 10¢; ½ Oz., 35¢**

BURBANK

A Burbank creation that is a valuable early tomato. Fruit is medium in size, bright crimson, thick, solid and heavy. So solid, the skin is more readily removed than from other varieties. One of the best for home garden. Begins to ripen in 48 to 50 days from plants.

Pkt., 10¢; ½ Oz., 45¢

EARLIANA—Earliest Strain

This Tomato is noted for early maturity as demonstrated in our trials. It is a scarlet red tomato of medium size, flattened globe-shaped. Fruits are firm and smooth, fine quality. A good yielder for early markets, canning or table use. **Pkt., 10¢; ½ Oz., 40¢**

VALIANT

An early home and market garden variety. Vines vigorous, producing heavy crops of large, smooth, bright scarlet tomatoes of mild flavor. 70 days. **Pkt., 10¢; ½ Oz., 50¢**

MARGLOBE

Popular wilt and rust-resistant variety. Very productive, yielding attractive big clusters of large fruit — globe-shaped, scarlet color and of superb table qualities. Remarkably resistant to wilt and rust diseases. Ready in 75 days. **Pkt., 10¢; ½ Oz., 30¢**

GOLDEN JUBILEE

The sensational orange yellow tomato with best characteristics of finest red varieties. Smooth, solid, meaty. Mild, few seeds, delightful flavor. 75 days. **Pkt., 10¢; ½ Oz., 50¢**

WHITE BEAUTY

Skin almost paper white. Good size fruit, firm and solid. Almost free from acid. 88 days from plants. **Pkt., 10¢**

SUGAR

Small fruited, more than 12% sugar. Small, round, brilliant red, borne in clusters. Heavy yield. **Pkt., 10¢**

GROUND CHERRY

Yellow Husk Tomato. Ripe fruit is of excellent flavor. Used for pies, preserves. Keeps well in husk. Ready in about 68 days. **Pkt., 10¢**

LETTUCE

GRAND RAPIDS

Very early variety, forming a compact mass of finely fringed and crumpled leaves, light green in color, crisp and tender. We recommend it for Northern gardens. Ready in 30 to 40 days. **Pkt., 10¢; Oz., 30¢**

OAK LEAF

Popular leaf lettuce suitable for all seasons and is considered one of the best for home gardens. Its dark green leaves are tender and withstands hot weather. May be cut often. **Pkt., 10¢; Oz., 30¢**

ICEBERG

Leaves are crisp and brittle, somewhat curled with bronze edges, forming the compact head. It makes an unusually attractive head Lettuce of medium size. Excellent for home garden. 70 days. **Pkt., 10¢; Oz., 30¢**

EARLY PRIZEHEAD

Very popular variety producing loose heads, leaves being curled and crumpled, bright green color, heavily shaded reddish brown. 44 days. **Pkt., 10¢; Oz., 30¢**

GREAT LAKES LETTUCE

All America winner. In early stages delicious as leaf lettuce. Produces large, solid heads. Withstands hot weather. **Pkt., 10¢; ½ Oz., 40¢**

ONIONS

GIANT SWEET SPANISH

A large sweet Spanish mild flavored onion which can be grown in the home garden in well-tilled rather rich soil. Flesh pure white, mild flavor. 110 days. **Pkt., 10¢; ½ Oz., 40¢; Oz., 60¢**

YELLOW GLOBE DANVERS

Selected stock, bulbs globe-shaped, good size, outer skin pale yellow, flesh pure white, crisp and mild. 110 days.

WHITE PORTUGAL

Earliest ripening onion and best for pickling, averaging from 1 to 1½ inches in diameter, pure white, very mild, delicate flavor. Also fine for bunching for early market. 65 days. **Pkt., 10¢; ½ Oz., 40¢**

EARLY WHITE WELSH

Early, green bunching; attains marketable size quickly. Flavor very mild, flesh pearly white. 30 days. **Pkt., 10¢; ½ Oz., 40¢**

CUCUMBERS

EARLY FORTUNE

About 55 days. An early everbearing variety. Smooth fruits of medium size are dark green, flesh pure white. Bears continuously over a long period. **Pkt., 10¢; Oz., 25¢**

NATIONAL PICKLE

Small size, excellent for pickles. If picked regularly, vines continue to bear throughout season. Very productive, uniform size. **Pkt., 10¢; Oz., 25¢**

MARKETER

A popular new variety and a prolific yielder. Fruits 8 inches long, 2½ inches in diameter, slightly tapering at ends. White spined, vines vigorous. Its uniform shape and attractive dark-green color make it an excellent variety. Fine slicer. 65 days. **Pkt., 15¢; ½ Oz., 30¢; Oz., 45¢**

LONG CHINA

Fruit is so long and slender as to be considered a novelty. Skin dark green, pure white flesh; very crisp and good for slicing. About 70 days. **Pkt., 15¢; ½ Oz., 30¢**

IMPROVED LONG GREEN

Of superior quality. Flesh firm and crisp, young fruits used for pickling, and the full-sized cucumbers for slicing. Popular for home or market garden. 65 days. **Pkt., 10¢; Oz., 30¢**

RADISHES

EARLY SCARLET GLOBE

Quickest growing scarlet globe radish we have ever grown. Is of fine shape and color with small top. The pure white flesh is very crisp, with a mild flavor. 15 to 25 days. **Pkt., 10¢; Oz., 20¢**

CRIMSON GIANT

Deep crimson. Flesh white, firm and crisp, mild flavor. It grows to perfection in rich, well prepared soil and is ready in about 30 days. Very popular. **Pkt., 10¢; Oz., 20¢**

ICICLE

Best early long white radish. Roots white, crisp and mild until they become quite large, being excellent for table use. Earliest of the long-rooted sorts. About 30 days. **Pkt., 10¢; Oz., 20¢**

FRENCH BREAKFAST

Rose scarlet, tipped white, very rapid grower, oblong in shape, quality crisp and tender. Popular for home garden or market. 24 days. **Pkt., 10¢; Oz., 20¢**

PEPPERS

CALIFORNIA WONDER

Large size, extremely thick, mild, sweet flesh. The glossy dark green fruits turning to crimson are produced in great abundance. About 76 days from plants. **Pkt., 10¢; ½ Oz., 35¢**

HARRIS EARLY GIANT

Earliest of all our peppers. Plants bushy, very productive; fruits large, skin rich green, turning to a fiery red when fully ripe. 64 to 66 days from plants. **Pkt., 10¢; ½ Oz., 40¢**

PIMIENTO

Plants of upright growth, fruit so mild they can be eaten as you would apples. Of very attractive shape; very productive variety; fine for canning and salads. About 78 days from plants. **Pkt., 10¢; ½ Oz., 30¢**

PARSNIP—Long Smooth

Roots large, flesh white, of fine flavor, cooking tender, rich and sweet. Roots hardy—may be left outdoors in Winter or stored in cool cellar. 100 days. **Pkt., 10¢; ½ Oz., 20¢; Oz., 30¢**

SNAPDRAGONS— Maximum Giants

Beautifully formed flowers in a wide range of vivid colors and pastel shades. The long, strong spikes are completely encircled with gorgeous blooms and are excellent for cutting. Plants blossom from July until frost.

Pkt., 10¢

PETUNIAS—Mills Giant Fringed and Ruffled Beauties

The giant ruffled Petunias you have always wanted. Gorgeous blooms in deep rich colors and soft delicate shades, many measuring 5 to 6 inches across. Provide a striking conversation piece for your garden.

Mixed—Pkt., 15¢
